

Schedule of Administrative Fees

Type of Administration Fee	Fee	When applies
Cancellation, Transfers and Extensions		
Cancellation Fee	\$150	Applies to requests to cancel an enrolment, including requests received during the Cooling-Off Period, in accordance with Momentum College's applicable enrolment terms and refund arrangements.
Course Transfer Fee	Varies	Where a course transfer is approved, Momentum College will calculate the applicable adjustment to the learner's existing course fees based on their enrolment duration and circumstances. The learner will be released from future payment obligations associated with the previous course and issued with a new course fee and enrolment duration for the new qualification.
Course Extension Fee	Varies	An extension beyond the learner's original enrolment end date is not automatically granted. Extensions are approved at Momentum College's discretion, on a case-by-case basis, having regard to the learner's progression, engagement, individual circumstances and remaining course requirements. Extensions are limited to a maximum of 6 months in total per enrolment and are approved in increments of no more than 3 months at a time. Each increment requires a completion plan co-created with the learner to support progression within the approved timeframe. Where progression is not demonstrated against the completion plan, further extensions will not be approved. Where an extension is approved, an extension fee applies. The fee is calculated using Momentum College's standard course fee for the relevant qualification, irrespective of any promotional, discounted or reduced fee applied to the learner's original enrolment. The standard course fee is divided by the standard course duration to determine the monthly extension rate, which is multiplied by the number of additional months approved. Standard course fees used for extension calculations: • CHC33021 Certificate III in Individual Support (Disability)- \$3,950 • CHC43121 Certificate IV in Disability Support- \$4,580 • CHC43315 Certificate IV in Mental Health - \$4,950 These standard fees apply regardless of any promotional, discounted or reduced fee applied to the learner's original enrolment.
